Con el mensaje: Acid, guys, acid. Get some and pour it in there. Add muriatic a
cid, to continue the process! Ah, OK... Muria, muriatic acid. Add more. Cooking
away fine - needs more acid though. Hm, yeah it is not caustic soda... Yeah. I
t should be acid. Yep, sure that is it. I'm 100% it is muriatic acid now. Just
add it. Looking at this site... Says acid is used in this step... We got muriat
ic, right? Mu... Muriatic acid - we need some more in there. OK, so add caustic
... No, wait, add acid - muriatic acid. Add caustic soda to continue the proces
s! Caustic basic reaction is now added. OK you got any soda around? Add it. Cau
stic chloride. Says it is liquid form... Wait a minute... Should be soda, right
? Caustic soda - yep, that's it. Go for it. I'm 100% it is some caustic soda ne
eded here. Drop some in. I'm just guessing at this point... These internet desc
riptions are iffy. It needs hydrogen chloride, for sure... OK wait, soda... Yea
h, caustic soda! Says we need club soda to get this temperature up... Sounds od
d. What can you get? Try caustic soda...Or hydrogen... No no, wait, soda... Go
for that. Yeah. Add hydrogen chloride to continue the process! Caustic chlorid
e. Says it is some solid form... Wait a... Should be that hydrogen, right? Fuck
me, we needed those cooks. I'm going with chloride. Fuck me, we needed those c
ooks. I'm going with hydrogen. Fuck me, we needed those damn cooks. I'm going w
ith caustic soda. Hydrogen... Is that a gas... Can't be a solid... Says add it.
You guys got a gas tank? I'm not 100% but I think it is hydrogen chloride now.
Yep, should be. It needs hydrogen chloride - for sure. It needs hydrogen chlori
de, for sure... No, no wait... Yeah, OK. This site says something else... Chlo
ride soda hydrogen mix. I don't know, go for it - something. Aw, what?! Guys, y
ou have to be careful with that stuff, I told you! I hear the cop radio... on
forcers are on the way. They arrive in thirty seconds. Cops and SWATs have arri
ved, be careful. That's a clean sweep. Al

at's no police chopper! Had enough? Yeah, back to the base Comrade Asshole. The
chopper is leaving. Wonder if Gage can get us SAMs. Is that a fully functional
meth lab? If you can find a formula, then start cooking. If you can find a for
mula, it never hurts to move a little extra product. If you can find a formula,
we can start cooking. If not? I'm sure you've torched a few meth labs in your
time. Loot, loot, loot. Get it to the Delorean. The Russians store their loot h
ere? Get it to the Delorean. Nearly there... You're gonna have to get him to ca
ll again. Almost got it... Nope, not it. We need him to call again. Looks like
these Russians have some hot wheels. How about we make 'em a little hotter? You
see all those nice cars? How about we set them on fire. See all those cars? Ho
w about we get some gas from the gas station. Some men just want to watch the
wheels burn. These mobsters don't seem like the kind of guys to have fire insura
nce. Shame to see such nice cars destroyed. But a job's a job, right? All right
, I think that gas station is on the Commissar's payroll as well. Get some C4 f
rom the Delorean. That gas station is on the Commissar's businesses as well. G

That rug doesn't quite fit in. Let's deal with that later. All right, look aro
und for a basement. Look for a basement hatch. Look for a hatch leading to a ba
sement. I'm sending in Bile with some equipment. All right, guys. Bile is Santa
, and since you're all such nice boys and girls... Bile is flying in with some
equipment for you to lift up that hatch. Okay, watch your heads, gang. Bile dro
pped the equipment. Go fetch it. Go fetch the equipment. Set that equipment up
on the truck. I've seen that equipment pull out a 15-ton Road Warrior in 5 seco
nds. But that hatch is holding strong. I'll give credit to the Commissar; he di
dn't get cheap with that hatch. Okay, get into the basement! There! Now get dow
n there! Remember, we're looking for (location.) Maps, files, anything that can
lead us to where the Commissar's hiding. We're looking for (location. Repeats
West End. Soviet-era machinery! Slow...so slow! Did the Commissar take a pie
